

"Life to the Full..."

## Message from the Headmaster

Thank you for your interest in Queen Mary's Grammar School and, more particularly, in our Sixth Form.

Choosing a new school for your A Level studies is a really important decision. The signs are that you are an enterprising person. And courageous too: for many people, it is just too daunting to step off the conveyor belt or out of your comfort zone and move to something new.

I think that choosing to come to Queen Mary's is a really *good* decision.

It's a very rewarding and invigorating place to work - for all sorts of reasons. It's also an exciting time to be joining our Sixth Form. We have recently opened a new Sixth Form and Community Block - the Collier Centre- which offers both a flexible Learning Hub (with the possibility of university style lectures and break-out seminars) and a fantastic Common Room with furniture designed by pupils from the School.

We hope that our results speak for themselves. Each year around 75% of all grades are at A\*/A/B, results which give our Leavers access to the university courses they want and a great sense of confidence to meet the challenges ahead.

However, we think that a School should be about more than just exam results. We are academic in purpose, yes; but we are also international in outlook, enterprising in spirit and generous in approach. We want our pupils to *enjoy* their time at school. We work together with them to prepare them to live **life to the full**.

But don't take my word for it. Why not come and find out for yourself? There's an Open Evening here on Thursday 3<sup>rd</sup> November 2016 between 5.30pm and 7pm.

We look forward to seeing you there!

Timothy Swain  
Headmaster
