

QMGS closure Friday 2nd March

Dear parents/guardians

Due to the worsening weather conditions and the forecast of heavy snow overnight, I have decided to close the school on Friday 2nd March. This is in the interests of the safety of staff and students in travelling to school and whilst they are on the site.

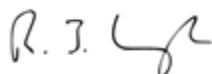

The Green Bus have announced that they will not be running services and many other local schools will also be closed.

The planned Physics Olympiad will take place next week.

The forecast is for an improving picture over the weekend and it is my intention to be open on Monday 5th March. The grounds team will be working hard to make the site safe for Monday.

Please take care in the poor weather

Regards

Richard Langton
