 I'm pleased and proud to announce that Kamran & Ameen of #ChangeYourMind and @QMGSWBG have been appointed as Mayors's Mental Health Ambassadors and attended a productive meeting yesterday. Was also very pleased to hear it confirmed that @qmg1554 is doing a much for mental health.

 Wonderful afternoon doing a drama workshop with @ArtsManic for #TimeToTalkDay with @qmgps_pshe students. Great conversations had about how to be there for a friend. A cup of tea and a chat can really make a difference @TimeToChange #TimeToTalk @TTCYoungChamps

Kamran is passionate about many topics, including homelessness, knife crime and mental health. He wants to bring change to the local area and set up projects across schools to tackle these issues directly.
