Post Results Services

Review of Results (RoR)

Service 1 (Clerical re-check)

This is a re-check of all clerical procedures leading to the issue of a result.

This service will include the following checks:

- all parts of the paper have been marked;
- the totalling of marks;
- the recording of marks.

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry.

Candidates' grades or marks can be raised or lowered.

The target completion of applications for this service is within 10 calendar days of the Awarding Body receiving the request. **(Please see Mrs Harrison directly should you wish to have a clerical re-check).**

Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. A marking error can occur as a result of:

- an administrative error;
- a failure to apply the mark scheme where a task has only a 'right' or 'wrong answer'
- an unreasonable exercise of academic judgement.

The Awarding body will train its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

This service will include:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above.

Candidates' grades or marks can be raised or lowered.

The target completion of applications for this service is within 20 calendar days of the Awarding Body receiving the request.

Priority Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly.

This post-results review of marking service offers the same services as outlined above, but the Awarding Body aim to complete the enquiry within 15 days of acknowledging the request. This service is only available if the following criteria are met:

- the enquiry is about a GCE, GCSE (Edexcel only), AEA or Principal Learning Level 3 unit;
- a candidate's place in further/higher education depends on the outcome.

Candidates' grades or marks can be raised or lowered.
