

Queen Mary's Grammar School

Headmaster: R J Langton, M A

September 2026

Dear Parent/Carer,

Casio CG-100 Graphical Calculator – Available via Parent Mail

I am writing to inform you that the **Casio CG-100** graphical calculator is now available to purchase through **ParentPay**. The cost is **£80.00**, which represents a **heavily reduced price** compared with the usual retail cost.

It is **expected that all students studying Mathematics** will have access to a graphical calculator, as it is an essential tool for the A-Level Mathematics and Further Mathematics courses. However, the calculator is also **available to any student** who would like to purchase one for their own use, even if they do not study Mathematics.

To take advantage of this reduced price, please make your purchase through Parent Mail, in the Payments – Shop.

Bursary students: please purchase your calculator yourself and request reimbursement by uploading your receipt through Applica. If this is problematic please speak directly to Mrs Mohan in the sixth form team.

If financial support is required to purchase the calculator, please complete the financial assistance form which can be found on our avenues of support page on our website.

<https://qmgs.walsall.sch.uk/Support-at-QMGS/>

If you have any questions about the calculator or the ordering process, please do not hesitate to contact the Mathematics Department, by emailing enquiries@qmgs.merciantrust.org.uk

Yours sincerely,
S. Willis
Head of Mathematics
