AEF today at @BAef for 14 lucky RAF cadets of @qmg1554 CCF. Not quite an infinite ceiling but good visibility and sunshine. 2nd man good to go!

So ends another amazing MOI course. A fantastic effort by all the cadets, great to see so many new instructors in the Air Cadets. Thanks to RAF Shawbury ACLO for his assistance!

Saturday was a day of DCTT for marksmanship training with plenty of grouping and application at 25 and 100m. Sunday was live fire classification on the outdoor Barrack range and all cots got their Trained Shot and 3 got 1st Class. A great WE supported by top staff & engaged cots

A very emotive and meaningful assembly today, led by Headmaster Langton. Mr Hughes gave a short presentation of Old Marlians in both World Wars. During the sounding of the Last Post and 2 mins silence, pictures of the 102 OMs killed in WW1 were held up in the quad by CCF cadets.

I'm very proud of the CFAV officers, instructors and cadets of @qmg1554 CCF who marched at the #WalsallRemembranceParade: their turnout and bearing was of high order.

All cadets from @qmg1554 CCF returned pleasantly tired from their WE at #farchnyys. Legs are weary but their appreciation of the beauty of Snowdonia is enhanced. A big thank you to all CFAVs for giving of their time to make the WE so enjoyable

Smiling faces from the @qmg1554 CCF cadets after not quite making the summit of #Tryfan today. A great experience for all on the hill.
