 Arjun is now teaching pupils how to stay safe offline. #ChangeYourMind aims to grow and expand our suite of workshops next year - Walsall primary schools interesting in signing up to the project should get in touch with @qmgs1554

 I'm very proud of these two very special people, and pleased that Change Your Mind was mentioned in this article, which has been running for the past three years.

Youth of Walsall @YouthOfWalsall

Great to see two of our young people Kamran and Ameen in the @ExpressandStar! Both attending @qmgs1554, they have been working on an outreach programme which saw them give talks to primary school pupils across Walsall. #MentalHealthAwarenessWeek

 Awful forecast tomorrow (Wed 8th May) for the 2nd XI game vs. Tettenhall College (home 2pm start). However thanks to @StuartCanvas for the new mobile covers & @qmgs1554qma for their assistance/hard work with fundraising efforts there's a better chance of it being on @qmgs1554

 Day3 for @qmgs1554 CCF Cadets on #farchynys Venturer. The intended 3x3000ft peaks of Snowdon were unobtainable fully. Strong cold winds prevented a traverse of Crib Goch, Yr Wyddfa and Carnedd Ugallin were ticked off. Descent via the Snowdon Ranger path was the #safeoption Da iawn.

 QMA AGM and management committee was held tonight where chairs of all @qmgs1554 PTA subcommittees get together. Outgoing chair - Adrian Donaldson - handed over the reins to Adrian Roche. Thanks to those who support QMA we have raised over £21,000 this year!
