

Queen Mary's Grammar School

Headmaster: R J Langton, M A

National Careers Week (NCW) 4th-9th March 2019

Aim

During the NCW subject teachers spent time in their lessons discussing careers associated with their subject.

What careers are linked to DT, English, Maths etc?

Thoughts

Why study x?

What career can your subject lead to?

Where can I study x at?

What resources for careers are there on the school website?

What are the grade requirements for x?

What skills will I gain studying x?

What are x graduates doing since their completed course?

What apprenticeships are linked with x?

What and how will work experience assist me with pursuing my interest in x?
