Welcome

Queen Mary's Grammar School was founded in 1554 by Mary Tudor. We have been shaped by our past and are proud of our traditions, but we are also confident of an exciting future as we help to shape the new educational landscape.

Queen Mary's is an academically selective school. It is our aim to support pupils to achieve their full academic potential. We value the life of the mind and want to pass on a love of learning.

Outside the classroom, we offer a range of life-enriching opportunities: time at our Field Centre in Wales; membership of our thriving Combined Cadet Force; individual and team sports; foreign exchanges and travel; participation in music, drama and many other activities. We believe that achievement and enjoyment go hand in hand.

We equip our pupils to meet the challenges of a rapidly changing world. Most choose to go on to Higher Education. Through partnership between School, pupil and parents, we aim for the examination success that will open doors to the very best HE institutions and international employers. We were rated as 'outstanding' by OFSTED and it is our mission to attain excellence in all that we do.

Our House system celebrates the four pillars of school life at Queen Mary's: an academic focus, an international ethos, an enterprising spirit and a sense of community. We enjoy our social, cultural and ethnic diversity and recognise our many privileges. We are keen to share what we have - experience, expertise, enthusiasm - both with those who live on our doorstep and those from further afield.

To do so is very much in the spirit of our motto *quas dederis solas semper habebis opes*: it is what you give that you will keep as eternal riches.

Richard Langton
Headmaster

About us

Queen Mary's Grammar School is an invigorating and rewarding place to work: the pupils are intelligent and committed to study; the staff are friendly and forward looking. It is far more than just a place of work – it is a thriving community, proud of its past and confident of its future. In November 2008, it was recognised as 'Outstanding' by Ofsted.

There are currently nearly 1150 pupils on roll, including 430 in the Sixth Form. The School has an outstanding academic record and regularly features in the upper reaches of the national league tables. In 2019, 76% of GCSE grades were 7-9 (A*/A) and 62% of A Level grades were A*, A or B. Our value added scores are particularly impressive (with a predicted Progress 8 score of +0.83 in 2019); we do not rest on our laurels, but encourage all our pupils to take up the challenge of realising their full potential.

In June 2011, the School converted to Academy status and we have undertaken a series of exciting building projects over the past 8 years, including a new Sixth Form Centre, Science labs and a Humanities wing, music and PE refurbishments, as well as a new dining room and reception. We partnered a local Charity in the founding of Walsall Studio School in 2012 and were a founding member of the Mercian Multi Academy Trust (along with five other schools) in January 2018. We are also expanding, adding additional capacity through the building of extra science rooms and improving Design Technology and Art facilities.

The School encourages an enterprising and international outlook: we have enjoyed trips, expeditions and exchanges all over the world in recent years and have many successes in national competitions but also carry out a wide range of vibrant and formative trips and experiences closer to home such as theatre visits, visiting speakers and the mental health ambassadors programme. In fact, we are incredibly proud to appear in Ross Morrison McGill's (aka Teacher Toolkit) new book showcasing our mental health work with staff and pupils.

We want our own pupils to lead happy and fulfilled lives. Learning here is not just about passing exams, but about enjoying the life of the mind. We also encourage all our pupils to take part in a wide range of enrichment activities in sport, drama and music, in the Combined Cadet Force and at our Field Centre on the Afon Mawddach in Southern Snowdonia.

You will notice a relaxed working atmosphere as you walk round the school. Our pupils come from diverse backgrounds, but they all thrive on the sense of support, encouragement and care that characterises Queen Mary's.

The Mercian Trust

Queen Mary's Grammar School is a Founder Academy the Mercian Multi-Academy Trust.

According to the National Schools Commissioner, Sir David Carter, MATs exist:

- To secure school improvement and develop people
- To encourage good governance and proper risk management
- To secure the financial health of all its academies

We sign up to those ambitions. In our MAT, the Mercian Trust, we choose to pursue life to the full in the business of education.

The name of our Trust is significant. It is both rooted in royal history and expresses a geographical identity. Mercia was an ancient kingdom comprising parts of Cheshire, Derbyshire, Nottinghamshire, Staffordshire, Worcestershire and, crucially for us, what we now call the Black Country. It was in Mercia that St Chad established learning communities which fostered a sense of common purpose. A thousand years ago, they spoke of bonds of kinship. Today, we want to adopt the same spirit in our approach to relationships within the MAT. So we very much hope that Y7 and Year 12 pupils joining us will feel that they are not only members of Queen Mary's Grammar School, but also of a wider family of schools.

We are convinced that we are stronger together. The Mercian Trust is already helping to shape the educational landscape in exciting ways. We welcome you to be part of that story.

The members of The Mercian Trust are: Aldridge School, The Ladder School, Queen Mary's Grammar School, Queen Mary's High School, Shire Oak Academy, Walsall Studio School

Our schools prepare pupils to live life to the full by equipping them to realise their full potential as learners; to thrive in the world of work; and to make a positive contribution to the local, national and international community.

You may have heard about some MATs that seem to have turned into big businesses. That is not our view of what education should be about. That is why Queen Mary's Grammar School wanted to be right at the heart of decision making of what our MAT should look like.

The Mercian Trust respects the autonomy of its member schools but, through collaboration, it will foster strengths greater than the sum of its parts. Put simply, the Trust provides a framework for sharing expertise, enthusiasm and experience.

We think that is exciting ...
