

Queen Mary's Grammar School - 16 to 19 Bursary 2019/10

STUDENT'S EDUCATIONAL NEEDS FORM

NAME:

Form:

This form supports your application for Discretionary Bursary Award towards educational costs and must be completed with all applications.

The maximum level of Bursary you may be awarded depends on your family's household income. However we need to know what educational costs you expect now that you might spend during the year. Your needs may change during the year so just put your best idea down of what you might need on this form.

To help you the page overleaf shows an example of how you could complete the form. Your situation may be different to examples given so please put down what is relevant to you. Do not include details of school meals. Any support we may give for these will be explained to you when we meet you.

Areas for Assistance	How much will you spend and how often (this may be per week, per month, per term or for the whole year)
Public transport costs to and from school - please state transport used and how often the cost is paid

Application for Discretionary Bursary Award towards educational costs

Name: Abcdef Student

Form: 6SA

The Queen Mary's Grammar School 16-19 Bursary Fund is available to support some of the financial costs of students for students under certain circumstances depending on family incomes (see our Bursary policy).

The table below is to help us understand what type of costs you may be having to pay during your year at the School.

Please complete the blank form on the page overleaf as best you can and send it with your application form. This form will not affect which level of Bursary you may be awarded, it just helps us to know what your situation is.
