

QUEEN MARY'S GRAMMAR SCHOOL

Year 7 Induction Booklet 2020

WELCOME TO QUEEN MARY'S GRAMMAR SCHOOL

Dear Parents

It gives me great pleasure to welcome you and your child to the vibrant community of Queen Mary's Grammar School.

First of all, congratulations are in order! Getting through our entrance test is no mean achievement; your child has done very well indeed. His performance shows that he has the academic potential to reach for the stars and we hope that he will do just that when it comes to important exams in the future. We will do all we can to help and support him in that goal; Queen Mary's is, after all, academic in purpose.

However, our school is about **much more** than exam success. We want our pupils to use their brains and we will have high expectations of them in the classroom, but our ambitions for them are much broader. We are international in outlook and we want to open their eyes to new and exciting opportunities at home and abroad. We are enterprising in spirit and want our pupils to experience the exciting dynamics of innovation and participation. There are lots of new activities for your child to try! We are also community minded in our approach. It may be somewhat counter-cultural, but we think that aggressive competition is not the best way to success (if it ever really leads there!). Our style is collaborative; we are a learning community, working *together*.

We are serious about our business and we will never forget our purpose, but we also want Queen Mary's to be a place of inspiration and friendship; a place of fun and laughter (enjoyment and achievement go hand in hand); and a place where young minds find the framework for life-long fulfilment.

The rest of this booklet covers lots of practical information, but I hope that in all the detail we will not lose sight of our overall ambition: equipping your child to live life to the full.

HOUSE SYSTEM

We have four houses, whose names reflect elements of the history of Queen Mary's and which represent different aspects of our school community. Together they help to bind the whole school together into a working community.

Aragon comes from the name of our founder's mother, Catherine of Aragon, and represents the school being *international in outlook*.

Petypher is the name of the school's first known Headmaster and so represents the school being *academic in purpose*.

Darby takes its name from a pioneer Headteacher of the 1960s, and so represents our being *enterprising in spirit*.

Gryphon borrows its name from the symbol of Queen Mary's Club, our Alumni organisation, and so represents our community being *generous in approach*.

Form groups are made up of a mix of two houses.

Our rewards system builds into the house competition, along with sporting and other competitions throughout the year.

PASTORAL CHARTER

- Human dignity matters.
- Justice is an absolute priority.
- Serving others is part of the School's DNA.
- A sense of Community holds everything together.
- Inclusion & diversity are fundamental principles.
- Our approach must be holistic: what we **do** must be informed by who we **are**.
- Generosity is the key to our motto: it often means getting your hands dirty.
- Supporting others means we have to step out of our comfort zone.
- There is always hope ...

HOME SCHOOL AGREEMENT

TIMETABLE

Each pupil will be issued an individual timetable. In year 7 – 9 nearly all classes are taught as a form. As pupils move up through the school there are more options and setting.

We follow a two-week timetable. Details can be found on our live calendar.

CALENDAR

We have a live calendar on our website which details all the activities of the school. This works through Google and can be linked to your phone or device.

ABSENCE, LATENESS AND HOLIDAYS

Absence

If a child is absent, parents or carers should contact the school office by phone or email (absences@qmgs.walsall.sch.uk) before 09.30am on **each day** of absence. The school requires a letter or email confirming the reason for the absence on the pupils return. Only the school can authorise absence and may challenge absence where necessary.

Planned Absence

Any request for absence should be made in writing at least three days in advance. We ask that parents try and make appointments so they have minimal impact on the school day.

Absence for Religious Observance

A specific form is available on the school website to request absence for published religious festivals (e.g. Eid, Diwali). Please submit these with at least three days' notice. This form should not be used for family occasions, such as weddings or funerals.

Persistent Absence

The school monitors absence and those pupils who are persistently absent (<90% attendance) may have additional measures put in place. The school may report persistent absence to the Local Authority.

Lateness

Pupils who are late for any reason are required to sign the late book in the Pastoral Hub. Pupils who are persistently late will get a detention for every 5 lates in one term up to 15 lates which will result in a Saturday detention.

Holidays in Term Time

Parents should not book holidays in term time. -Only in exceptional cases will any requests be authorised. Any such requests must be made in writing to the Headmaster well in advance and certainly before booking the holiday.

We are required to report instances when parents take pupils out of school for holidays that have not been authorised to the Local Authority who will fine parents.

Term Dates

Term dates for the current and next academic year are published on our website.

PASTORAL CARE AND SAFEGUARDING

Pastoral Care

Our pastoral care is principally managed through the year group.

Your child's first point of contact should be their Form Tutor, who works closely with the Head of Year.

Communication between home and school is important. We regularly send information home by email, so please ensure we have an address you check frequently.

If you have any queries or concerns, you should contact the Head of Year in the first instance. Our enquiries@qmgs.walsall.sch.uk email is an initial point of contact which will get passed on to the most relevant person to deal with.

Safeguarding

The school has a statutory responsibility to ensure the welfare and well-being of pupils in our care. We take this seriously and work with many external agencies to gain specialist advice and support.

The school's Designated Safeguarding Lead is: Mr Graham Collins.

The school's Safeguarding and Welfare Officer is: Mr Tom Farnell.

PASTORAL SUPPORT TEAM

Our pastoral support team work with pupils to deal with any problems or concerns they may experience from time to time.

SPECIAL EDUCATIONAL NEEDS & DISABILITIES (SEND)

At Queen Mary's we want all our pupils to feel they are full members of our community and to achieve their full potential. We aim to take account of any individual special needs our pupils may have and make reasonable adjustments so they feel accepted, included, understood and supported.

In line with national guidance, we consider a pupil to have Special Educational Needs if they have a learning difficulty or disability that calls for provision to be made that is different from or additional to the provision for their peers.

Our SEND Register includes different category codes:

- R a pupil is being monitored regularly to check on progress and well-being
- K provision is being made that is "different from or additional to" due to a diagnosed condition, learning difficulty or significant on-going health issue.
- E a pupil who has an Education Healthcare Plan issued by the local authority.

Pupils with a K or E code are entitled to a termly review of their progress. This is usually with the SENDCo or Assistant SENDCo and will involve a review of progress and support using a target-based system. The opinions and feelings of pupils are at the heart of our SEND provision.

The majority of SEND provision happens in the classroom, where staff make reasonable adjustments for the needs of pupils. High quality, differentiated teaching is supplemented by mentoring, group support and personalised intervention from the Pastoral Team.

Access Arrangements

Where a pupil's normal way of working involves any adaptations to be made, for example enlarged print, additional time, etc, this will be provided in all tests and exams. These provisions are known as *access arrangements* and require a rigorous application process.

Any diagnostic tests have to be undertaken by the school so please seek advice from the SENDCo if you suspect your child might have a learning difficulty. If your child has had access arrangements at their previous school, please inform us and pass on any relevant paperwork.

SENDCo and
Head of Year 7

MEDICAL

Parents should notify the school of any medical conditions affecting their child and keep us updated of any significant changes. We will work with you to complete an Individual Health Care Plan.

Further details about the school's provision, including the Individual Health Care Plan, is in our Healthcare policy on our website.

Accidents

The school has qualified first aiders to deal with emergencies on site.

If we think your child needs further treatment or assessment, we will contact parents/carers and ask you to collect your child and take them to an appropriate medical facility.

If in an emergency we need to call an ambulance for your child, we will also contact you as soon as possible.

It is therefore essential that the school has up-to-date information to enable us to contact you in an emergency.

Illness

If your child becomes unwell at school, we may contact you to collect them.

Whilst we want pupils to be in school as much as possible, it is important to wait until your child has recovered before sending them back to school. Pupils suffering from sickness or diarrhoea should not return for 48 hours after the last episode.

Medication

We encourage pupils to take responsibility for their own health and to manage their own conditions and medication whenever possible.

Pupils who need to have medication in school must have this agreed in writing through an Individual Health Care Plan or Temporary Medication Form.

Pupils in years 7 – 11 are not to have any non-prescription medication with them in school.

Pupils who have emergency medication (e.g.) for asthma/diabetes/anaphylaxis) are expected to have this readily available with them in school.

HOMEWORK

We believe that homework is a valuable part of learning. It allows pupils to:

- Develop confidence and self-discipline in working on their own
- Consolidate and reinforces skills and understanding
- Extend school learning, for example through additional reading or research

The school does not have a fixed homework timetable. Each subject should set a maximum of one hour per fortnight, with no less than two working days given to complete the work. In practice this means a pupil will receive one or two pieces per evening.

Each pupil is given a planner in which they should record all homework set.

If homework is not completed appropriate action will be taken by the department and a behaviour point issued to the pupil. Persistent problems may result in other school sanctions being deployed.

We expect pupils to:

- Always carry their planner and record any homework set and other important information (eg test dates)
- Plan their time and adhere to deadlines
- Find out any work that was missed due to absence and catch up on it
- Resolve any problems with homework before the deadline, if necessary by seeing the member of staff concerned for help

We ask that parents:

- Support pupils with their homework, but accept that their role should become less involved as students become more responsible and independent.
- Try and provide a reasonable place where pupils can work or encourage them to make use of the school's facilities
- Encourage pupils to meet homework deadlines
- Check and sign pupil's planners each week
- If parents/carers feel that there is an issue regarding homework they should contact their child's Head of Year.

We publish homework extension booklets on our website with ideas for each subject which pupils might use to extend their learning.

BEHAVIOUR

Positive Behaviour for Lessons

We expect our pupils to be ready to learn by doing their best at all times and allowing others to learn alongside them.

- Arrive on time in the correct uniform.
- Bags should be left in lockers and not brought into the classroom.
- Ensure you have the correct equipment/materials for the lesson.
- Listen in silence and pay attention to the teacher.
- If you wish to speak, put up your hand and wait until asked to contribute.
- Show consideration to all students and staff in both manner and choice of words.
- When told, pack away and wait in your place to be dismissed.

Termly reports include an Attitude to Learning grade alongside progress .

Rewards

The school promotes good behaviour through a system of recognition and reward, including:

- Praise and positive feedback
- House Points: for academic, community service and extra-curricular involvement
- House point certificates
- Attainment and progress stickers
- QMGS Praise Cards

Sanctions

The school deals with inappropriate behaviour through a range of strategies, including:

- Verbal reprimands or letters of apology
- Additional duties or withdrawal of privileges
- Behaviour points
- School detentions (after school 15.40pm – 16.40pm)
- Saturday or training-day detentions
- Temporary or permanent exclusion

PROHIBITED ITEMS AND SUBSTANCE ABUSE

Prohibited Items

Pupils must not bring any illegal substances, cigarettes, e-cigarettes, vapour pens, matches, lighters, knives or weapons to school. The matter will be treated as a serious breach of school rules. We will take a zero tolerance approach to any offensive weapon and this will be reported to the police.

Substance Abuse Policy

The School strongly opposes substance abuse (such as drugs, Legal Highs, alcohol, solvents and tobacco) and will take appropriate disciplinary action against offenders. Any pupil found to be knowingly in possession of an illegal substance, or Legal High substance can expect to be permanently excluded.

MOBILE PHONES

Mobile phones are not to be used during the school day and should be kept in the allocated secure locker. While care is taken to minimise losses the school cannot take responsibility for property that is lost or stolen.

Pupils found using mobile phones during the day will have them confiscated. They can be collected at the end of the school day.

PERSONAL PROPERTY, LOCKERS

Each member of the school will be issued with a personal key-operated locker. All pupils must have a locker as we operate a no bags policy within the school.

There is a standard charge for a locker, currently £30 covering year 7 - 11. Replacement keys must be paid for.

The school does not take responsibility for any personal possessions brought into school, including mobile phones, unless they are physically secured within a locker.

EXTRA-CURRICULAR ACTIVITIES

We offer a very full programme of extra-curricular activities and encourage all pupils to make the most of the opportunities on offer to them. From sport to music, history society to futsal there is always something on to take part in.

Farchynys

Farchynys is the School's Activity Centre near Barmouth in Snowdonia. It offers a drastically different setting to our busy urban site in Walsall and is the base for many activities away from the school. All year 7 pupils spend a week at Farchynys during the Summer Term. There will be an opportunity for parents and pupils to visit the centre during the Autumn Term.

Mandarin Excellence Programme

In September 2016 the school was one of 14 selected nationally to lead an important initiative to expand the teaching of Mandarin Chinese in the UK.

All our year 7 pupils study Mandarin, but there is an option for them to join the MEP cohort. This ambitious and demanding programme sets out to create fluent Mandarin speakers – it is not a scheme for the faint-hearted!

The programme works on the premise of 8 hours of Mandarin learning per week; that might sound off-putting but might look like:

- 2 hours of taught curriculum time
- 2 hours on online learning
- 2 hours of cultural experience through extra-curricular activities
- The equivalent of 2 hours per week through immersion activities held during the year

The programme also includes a subsidised trip to China and the chance to engage with other MEP students from across the UK.

We want to make this opportunity available to as many pupils as possible but we realise that participation in the scheme will be demanding and not appropriate for everyone. You will be given more information in due course.

Homework Club

We offer a supervised after-school homework club 3.40-4.40pm each day which is held in the library. There is a small charge.

Our uniform is in keeping with the School's traditions and expectations of pupils' appearance and behaviour. We believe that pride in personal appearance promotes a professional and academic outlook on studying.

Permission must be sought in advance by written request to the headmaster.

The final decision as to whether students' appearance is appropriate or not rests with the Headmaster.

The school reserves the right to withdraw from lessons or send home any pupil whose uniform or hair style is not considered acceptable.

Parents are asked to ensure that all items of clothing and property are clearly named.

Most transactions are completed through an online system, currently ParentPay.

You will be sent details of how to register for this separately.

Cashless Catering

Payment for food in the canteen is made via a cashless system using a pupil's fingerprint which links to their account.

The account may be topped up either using ParentPay or using small amounts of cash in the revaluer in the canteen.

SAFETY

Everyone in the school is required to show a sense of responsibility for their own safety and for that of others in the school community.

We treat any breach of safety rules as a serious discipline issue.

Road Safety

The roads around our school site are busy and dangerous.

Please ensure you drive safely and with consideration. We encourage pupils to use public transport in order to reduce congestion.

Think carefully about the best place to drop-off or pick-up your child **away from the school gates**.

Please help us to ensure your child is aware of road hazards as a pedestrian – particularly regarding crossing roads safely and not walking into a road whilst on their phone.

Cycling

We welcome pupils cycling to school as a healthy and environmentally sound form of transport. We provide secure storage facilities on site.

We expect pupils to wear a helmet and appropriate high-visibility clothing. Pupils should not cycle on the school site itself but alight when they get to the gates.

Car Parking

We ask that parents are considerate when parking around the school site.

Please only park where it is safe and legal to do so.

Do not block our neighbours' driveways or park in bus stops.

Laboratory & Workshop Safety

Specific safety rules in the science, PE, DT and art departments are explained to pupils in their first lessons.

IMAGE CONSENT AND CCTV

Use of Images

We take photographs and occasionally video recordings of students at our school to use them in school publicity, such as in printed publications, on our website and display boards.

Occasionally we have visits from the media for special visitors or high profile events. We also use twitter extensively to celebrate the activities and successes of our school.

We require parental permission for your child to be photographed or videoed and the image made public, both during their time in school and afterwards.

Conditions of use:

1. The permission is valid for the period of time your child attends this school, and thereafter in the case of images previously taken.
2. We will not use full names of any child in a photo or video on our website or in school publications without good reason. The recognition of prize winners or some other school achiever in the press or other media may require full name as part of the photo caption or in accompanying text to properly recognise the success.
3. We will not include personal email or postal addresses, or telephone or fax numbers, on our website or in school publications unless requested and authorised to do so
4. We may include pictures of pupils and teachers who have been drawn or taken by pupils or third parties.

6. We draw your attention to the fact that images published on our website or on social media are available worldwide, including countries where there may be no equivalent data protection legislation
7. Once a child attains the age of 18 years, consent can be given or withdrawn directly by the pupil
8. Consent can be withdrawn at any time in writing, but not for images which have already been published.

CCTV

The school has CCTV installed across its site, both internally and externally. The purpose of this is:

- To provide a safe and secure environment for pupils, staff and visitors
- To protect the school buildings and assets
- To support the police and school in a bid to detect crime and support behaviour

The school is registered with the Information Commission and signs are placed on all access points to the school.

Cameras are not installed in any places where students, staff or visitors may have a reasonable expectation of privacy, such as classrooms, toilets or changing rooms.

SCHOOL COMPUTER NETWORK USER TERMS AND CONDITIONS

Teachers, pupils, students and all other users are required to follow all the conditions laid down in these terms and conditions. Any breach of these conditions may lead to withdrawal of the user's access to the QMGS Computer Network and in some instances could lead to criminal prosecution.
