

Queen Mary's Grammar School

Parental Weekly Assignment Summary, September 2020

Queen Mary's Grammar School has incorporated a new feature to work alongside our Microsoft Teams provision. This new provision will help parents and guardians stay in the loop with regards to their child's work. All teachers this academic year will be setting work via Microsoft Teams; some work will require online submission and other work via paper submission in class (instructions will be made clear in each assignment).

Every weekend parents will receive an email that outlines all work that is due in by teachers for both the previous week and the upcoming week. Please note the assignments visible in the summary will only show work for the weeks that they are due in and will not show assignments from weeks behind nor weeks into the future).

With every 'Weekly Assignment Summary', assignments from the previous week will indicate either if the student has completed their work with a tick or if the student has yet to complete the work with an exclamation mark.

Please see a preview of the 'Assignment Summary' below:

The screenshot displays a 'Weekly Assignment Summary' for Sunday, August 30, 2020. It provides a summary of assignment updates for the previous week (August 23-29) and the upcoming week (August 30-September 5). The interface is divided into sections for 'Previous week' and 'Coming up'. The 'Previous week' section shows a summary of assignments turned in (1) and not turned in (3). Below this, three assignments are listed: '1- Introduction to Python' (not turned in, due August 28), '5- Review your knowledge' (not turned in, due August 28), and '2- Working with data' (turned in, due August 29). The 'Coming up' section shows assignments for August 30, August 31, and September 1. For August 30, there is one assignment: 'Weekly Digest Trial - Team 2 - R Lally Ready to Learn Python'. For August 31, there are two assignments: 'SMcP French Y9 2019-20 - S McPHEE Assigned work w/c 13th July' and 'Weekly Digest Trial - Team 1 - R Lally 3- If Statements'. For September 1, there are two assignments: 'GCSE history preparation Sept 2020 - R REYNOLDS Summer preparation booklet Germany' and 'Weekly Digest Trial - Team 2 - R Lally Python - Selection'.

We hope you find this feature a useful way to stay in the loop with your child's learning at QMGS, and use it to help encourage, organise and support. Please see the previously circulated parental guide for Teams:
