

## Queen Mary's Grammar School

Headmaster: R J Langton, M A

### **MAT Merger Consultation – Email No. 2**

As you know, together with our MAT (the Mercian Trust), we are consulting on a proposal to merge with the Q3 Academies Trust.

We believe this merger will open up exciting opportunities for our staff and students. Importantly it will ensure there are more opportunities for teachers to work together and build greater capacity for our school improvement work to enhance the quality of teaching and further improve standards of education in our school. Sharing and reducing corporate costs will mean more of the money we receive from the government will be protected and directed on student-facing staff and activities and work to further improve our school.

We also want to reassure you that there are no plans to change the school uniform or the school day. We are proud of our unique ethos and identity at xx and this will not change.

We believe the merger is in the best interest of all our students, our staff, and our schools – but we also need to know if parents support it too. There is [more information](#) on the consultation website.

We want to know whether you are in favour of, opposed to, neutral or undecided towards our proposed MAT merger. **Please take two minutes to tell us what you think.**

Please come to the short virtual consultation meeting at **6pm – 7pm on Thursday 29<sup>th</sup> April 2021** to hear more about our proposals, MS Teams details below.
