

Free School Meals and extra funding for your school

By being registered for free school meals your child will receive a meal free of charge and your school will receive extra funding.

We would like to invite all parents/carers to complete an online free school meals application form for their child at:

https://go.walsall.gov.uk/free_school_meals

If you're eligible now we will register you, otherwise we will continue to check your details for ongoing entitlement and will automatically register your child if you become eligible at a later date.

Your child does not need to take the meal if you would prefer them not to, but by being registered, your school will still receive the extra funding.

If you're eligible, you will retain your eligibility until the end of your child's current phase of education even if your circumstances change.

If your child is currently at a school in Walsall or is moving to a Walsall school from a different area, please apply.

Pupil Premium extra funding

This funding is used to help your child.
