Application for Provider Access

Introduction

This document sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 7-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Opportunities for access

The school offers a comprehensive Careers Education, Information, Advice and Guidance programme and an overview of this programme can be found on the school website www.qmgs.org

Please contact our CEIAG coordinator to identify the most suitable opportunity for you and to how we can best accommodate your request.

The school will make a suitable space available for discussions between the provider and students, as appropriate to the activity. This will all be discussed and agreed in advance of the visit with the CEIAG Coordinator or the Senior Leader with CEIAG responsibilities

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the school reception or sent to ceiag@qmgs.walsall.sch.uk so that they can be shared with the wider school community.
