

## Queen Mary's Grammar School

Headmaster: R J Langton, M A

15/12/21

Dear Guardian,

### Re: New Sport Website

I am writing to inform you of our new website - <https://sport.qmgs.walsall.sch.uk/>.

As a department we have invested in this new website as we wish to improve the communication between the department, pupils and guardians. This website has a wealth of information and will include details of all our sporting fixtures such as;

- Results
- Teamsheets
- Player statistics
- Upcoming fixtures
- Logistical details eg departure/return times

All future details regarding sporting fixtures will be communicated via this platform. The website can be accessed in several ways; typing the above details into your browser, clicking the link on our Twitter account – QMGSSPORT or clicking the `Sport and Fixtures` tab (found just below the Careers tab on the school homepage).

We are delighted to offer this brand new platform and feel it will help us to continue to deliver outstanding sporting provision.

Yours Sincerely

Mr D Hitchen

Head of PE and Games/ Head of Gryphon
