

Mercian/Q3 Merger Statement

Merger Update

We are delighted to announce that formal merger of the Mercian and Q3 Academies Trusts was completed on the 1st May 2022. A message from our Chief Executive as follows.

Our Trust merger and transfer of the 3x Q3 Academies into The Mercian Trust is complete. We are now a family of 9 schools and more than 9,000 students.

We are not a one-size-fits-all Trust, we value the unique and rich character of each of our schools. But now, as one Trust, we move beyond simply cooperating and collaborating with each other to being a family, committed to one another, cheering each other on!

For the benefit of our students and the communities we serve we will drive improvement, foster innovation and provide mutual support to each other as we share knowledge, expertise and resources.

Best wishes,

Dan Parkes
Chief Executive
