### Post Results Services – Summer 2022 Access to scripts and/or Review of Marking

Which service do I require? [Access to Scripts](#)

#### Priority Access to Scripts for A level papers:

This service is also only available for 7 days. Ask for this first if you need to see a copy of a paper before deciding whether to lodge a 'review of marking'. Usually available within 24 hours and mostly FREE.

#### Access to Scripts

Ask for this if you would like to see a copy of your original exam paper to support your learning. If you are looking for a breakdown of marks then they may be available from your subject teacher or Exams Office without the need for a script.

#### Priority Review of marking A Level (GCE):

This is only available for 7 days. A review of the original marking to ensure that the agreed mark scheme has been applied correctly. This service includes a re-check of all clerical procedures and a review of the initial marking – it is NOT a re-mark of the original script.

#### Review of marking A Level (GCE) and GCSE:

This is a review of the original marking to ensure that the agreed mark scheme has been applied correctly. This service includes a re-check of all clerical procedures and a review of the initial marking – it is NOT a re-mark of the original script.

#### Clerical re-check A Level (GCE) and GCSE

This is a re-check of all clerical procedures leading to the issue of a result. This checks that all parts of the script have been marked as well as the totalling and recording of the marks.

#### IMPORTANT

Before any post results services can be requested, all students must complete the relevant online MS form and make any necessary payment. This confirms that QMGS has permission to access a copy of individual students exam scripts on their behalf. For clerical check, review of results marking or any subsequent appeal, this also confirms your full understanding and acceptance that grades may go down or up, or stay the same.

**ONLY REQUESTS SUBMITTED USING THE MS FORM WILL BE ACCEPTED AND PROCESSED.**
