WALSALL EASTER HOLIDAY ACTIVITIES AND FOOD PROGRAMME

Welcome to our Easter Holiday Activities and Food booklet, which will provide you with everything you need to know about our FREE activities which will take place for children aged 5-16 over the Easter school holiday!

How do I know if my child qualifies for the free activity offer?

If all of these statements apply to you, your child/ren qualify:

- Your child is eligible for Free School Meals
- You reside in Walsall
- Your child is between the ages 5-16 yrs

What do we offer?

Walsall Council is running a Walsall Right for Children Easter Holiday Activities and Food Programme (funded through the Department for Education). This programme will provide free activities including free meals for eligible children across Walsall.

The programme will provide your child/ren with access to a range of fun and free Holiday Club activities to engage with during the Easter Holiday.

Each child will be able to book a maximum of 1 week of activities choosing from the below offer (each offer is colour coded in the booklet to make it easier to browse through what's available. See page 4 onwards).

Offer 1

A **Holiday Club**, providing a range of activities throughout the week for children/young people to attend, including a healthy meal. The children/young people will attend the same setting for four days for a minimum of four hours per day.

Offer 2

A **Pick and Mix**, a different activity each day, including a healthy meal. Each child/young person will be able to choose up to four Pick and Mix sessions per week.

We aim to target teenagers as well as young people on these sessions; we have a range of activities including bowling, roller skating, swimming and arts and crafts.

Offer 3

A **Family Activity**, an activity for the family to attend and enjoy. Each child/young person will be able to choose up to four activities per week.

How to register for our FREE Easter Holiday Activities and Food Programme?

You should have received a letter in the post with your child's unique registration code.

Where can I find my code?

You should have received a letter in the post from us, which contains your child's unique access code. In order to access the Easter Programme, you must have a unique code.
