**A:** The schools within the West Midland Grammar School partnership are state-funded schools for boys and girls. We are a group of selective grammar schools for children aged 11-18 years. There is no charge related to the admission of a pupil and no fees are charged. The schools have offered a free education to children for over 500 years.

**Q:** My child has SEN or required Access Arrangements? What do I do?

**A:** This will be clearly indicated on the on-line, test Registration portal and a Special Arrangements Form will then be made available to you for your completion and return to the testing centre immediately. If you do not receive the form, it is the responsibility of the parent/carer/guardian to contact the school to request a Special Arrangements Form. The

completed form should be accompanied by copies of all supporting information and medical reports. Please submit this information as a matter of urgency to the testing venue. Early submission of the request for Special Arrangements will help ensure an independent assessment and the necessary arrangements can be made to make your child as comfortable as possible during the testing session. An early submission of paperwork also allows parents/carers/guardians to be advised of the arrangements that we have put in place prior to testing day.

The deadline for submitting requests for access arrangements is 14th June 2024 – this earlier deadline is to allow sufficient time for your request(s) to be assessed and for any arrangements to be put in place for the test.

**Q:** I wish to be considered for different schools so how will my child's results relate to these schools' admissions and how will I get enough information to make an informed decision?

**A:** You will still be able to select several schools on your preference form. In addition, you can also see individual school Admission criteria on the school websites.

**Q:** What if my child is ill on the day of the test?

**A:** You should telephone the test centre to inform us of your child's absence and obtain a doctor's note with details/date of the illness. Following receipt of the Doctor's note, the reasons for non-attendance will be considered carefully and if possible, an alternative testing date will be arranged. Please note that the partnership will not re-arrange the testing date for candidates who are engaged in pre-planned activities, such as school trips.

**Q:** What does the test involve?

**A:** All children will sit two standardised tests consisting of Verbal Reasoning, Non-Verbal Reasoning and Numerical Reasoning provided by GL Assessments. Normally, each test paper is 45/50 minutes in length. School administration for each test will normally be one-hour.

**Q:** Should I employ a tutor to help my child prepare?

**A:** No, intensive coaching/tutoring is not in the long-term interests of your child. Your son or daughter may be anxious about sitting the test, you can help by not putting pressure on them. Please view the familiarisation materials on the individual school and or application portal website and use the online, familiarisation materials available to you.

**Q:** What is the pass mark?

**A:** There is no pass mark. Test marks vary each year depending on the individual tests taken. The standardised test scores are sorted into rank order and places are awarded accordingly by your Local Authority according to the determined, schools Admissions Policy.

**Q:** I missed the deadline for Year 7 applications, can I still apply?

**A:** It is not possible to register for the test after the deadline has passed unless there are exceptional circumstances such as illness, bereavement etc. You must complete an Exceptional Circumstances Form. If, after late registration, the school decides the reasons are valid then candidates will be tested later (if they then also apply for a place) and if they are of grammar school standard will be placed on the waiting list or offered a place if there is space.

**Q:** Are there any Boarding School options in the West Midland Grammar School Partnership?

A: Haberdashers' Adams in Newport welcome overseas and UK boarders as they contribute significantly to the life of the school and the boarding houses. As a state funded school Adams can only offer places to pupils who have a UK passport or have the right of abode in the UK. Overseas boarding pupils require a legal guardian in the UK, normally this is a relative or family friend but there are specific companies who can provide this service and we can put you in touch with these if required.

**Q:** How soon after registering my child will I receive an invite for the entrance exam at my nearest test centre?

A: All invites will be sent out at the beginning of September. If you have not received an invitation by 06.09.2024 please contact your local test centre. Details will be on your application form.
