Dear parents,

To assist with your sons studies in Geography, we are offering the opportunity for you to purchase a Collins Atlas at a discounted rate. The atlas will be used in lessons throughout the KS3 Geography curriculum and will be a useful resource to assist your son both in and outside of lessons.

The cost of the atlas is **£6** which can be paid through the ParentMail app. Upon payment your son will be provided with an atlas by their Geography Teacher in their next lesson.

If you have any questions, please feel free to contact me at:
