Great couple of days on the A-Level Field course looking at sand dune profiling, carbon and infiltration in the woodlands and some pilot projects around Barmouth.

Thanks to all staff for their support (even Mrs Pugh) 🙏

NCW QMGS Careers Events

17

Bring Your Own Device (BYOD)

- All students joining our 6th Form will be expected to bring a personal, stylus-enabled digital device to school each day
- Students will be expected to use these devices to carry out and organise their course notes and resources.
- The introduction of BYOD reflects our commitment to equipping students with the digital literacy and independent learning skills they need to thrive in the 21st-century world of work and higher education, including:
 1. **Improved organisation of notes and learning materials**, enabling students to manage and revise content more effectively across subjects.
 2. **Increased personalisation of learning**, allowing students to engage with resources and tasks in a way that suits their needs and learning preferences.
 3. **Development of essential digital skills**, which are now a fundamental requirement in both higher education and the modern workplace.
