

Queen Mary's Grammar School

Headmaster: R J Langton, M A

Dear Parents and Carers,

January 2026

Thank you for attending the parent's information evening, which was aimed at supporting all our boys in reaching their full potential. I hope you found the session informative and that it will help you guide your son as he approaches his critical exams.

As mentioned, we now have just 13 weeks before the exams begin. Every minute, every effort, and every input truly matters. The key message for all our boys is to give 100% — showing sincerity, hard work, focus, and full commitment in lessons, revision, attendance, and everything they do — while reflecting on their mock results and planning. It is still not too late to turn things around and shine in the summer.

Several of you asked about the Additional Maths mock exam. This will take place after half term. In addition, the Mandarin oral examinations will take place in early February. Students have already been informed and will receive reminders from the relevant departments closer to the time.

I have attached the PowerPoint from yesterday's meeting for your reference and for any parents who were unable to attend.

Thank you once again for your continued support.

Kind regards,

Mrs Mehta
